

Dear Participants,

Thank you very much for enrolling in the Comprehensive Histopathology Update Programme for Medical Laboratory Technologists, organized by the College of Pathologists of Sri Lanka.

This is a structured online educational program conducted in English and designed to provide Medical Laboratory Technologists with up-to-date knowledge and practical insights into modern histopathology laboratory practice.

Please read the following instructions carefully:

1. Registration and Login

- Upon registration, you will be provided with a username and password.
- Use these credentials to log in to the learning platform and access the recorded lectures and lecture notes.

2. Program Schedule

- The program consists of 10 sessions conducted on 10 consecutive Saturdays, commencing on 18 July 2026.
- Each session includes 2–3 lectures, with a total duration of approximately 90 minutes.
- All lectures will be recorded and uploaded to the website every Saturday from 1.00 p.m. onwards.
- The recordings will remain available for one week for participants to view.

3. Pre- and Post-Assessments

- Each lecture includes a pre-assessment and a post-assessment, consisting of the same set of single-best-answer MCQs.
- Participants must complete the pre-assessment before accessing the lecture.
- The pre-assessment is intended solely for self-evaluation. Regardless of the score obtained, participants will be able to access the lecture once the pre-assessment has been completed.
- After viewing the lecture, participants should complete the post-assessment and achieve a minimum score of 80%. Unlimited attempts are allowed.
- Attendance will be marked only after successful completion of the post-assessment.

4. Attendance Requirement

- Participants must achieve at least 90% attendance to be eligible for the final assessment.

5. Final Assessment

- Upon completion of all lectures, participants must sit for a final assessment consisting of 60 single-best-answer MCQs.
- Participants will have two attempts and must obtain a score of 80% or above to pass.

6. Certificates

- Participants who successfully pass the final assessment will receive a Certificate of Achievement.
- Participants who do not achieve the required pass mark will receive a Certificate of Participation.
